INCLUDING

Your Kitchoo kitchen is supplied complete, assembled, and fully equipped with everything that makes Kitchoo simply unique: dual-hood system with automatic LED lighting, kitchen countertop and hoods made out of acrylic resin, built-in sink with telescopic mixer faucet, power supply, complementary led lighting, technical requirements, installation manual and technical assistance, 2 years warranty (according to general conditions).

FINISHES

Kitchoo kitchens come standard with matt white lacquered fronts. The kitchen top and the interiors of the hoods are in matt grey acrylic resin. As an option, for the fronts of your Kitchoo K6 you can choose from 100 different colors. Just specify the NCS color reference (The Natural Color System®). You can also opt for kitchen top and interior hoods acrylic resin in matt white color.

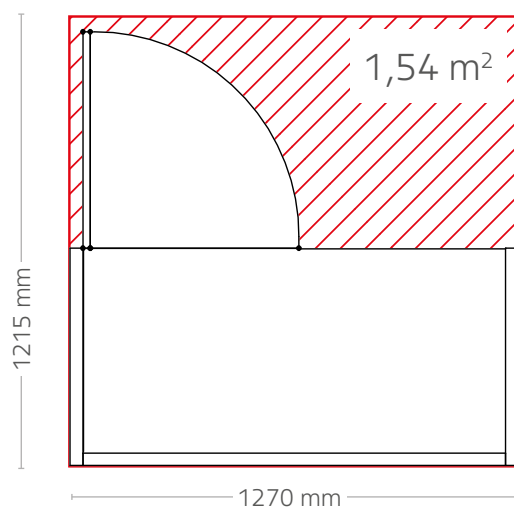

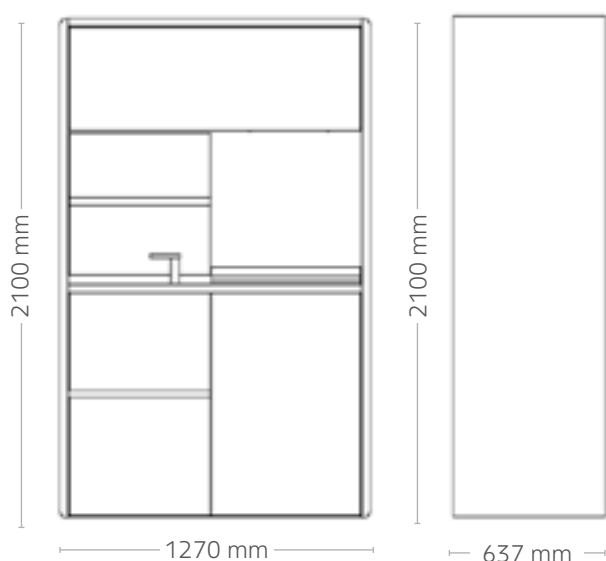

PRESENTATION

Once unpacked, your Kitchoo is ready for installation. Our technical recommendations and installation manual will allow you to quickly install your Kitchoo. You will also benefit from our technical assistance.
